

The Chamber urges the FCC to approve SBC Pacific Bell's long distance application in the State of California. SBC's ability to offer long distance services will give the members of Rancho Cucamonga Chamber of Commerce more choices, better service, savings and convenience. We believe by allowing Pacific Bell into the long distance market it will be truly open and fully competitive. The Rancho Cucamonga Chamber of Commerce has had a long term relationship with SBC Pacific Bell. The company has been a strong corporate citizen, making positive contributions throughout our community. We look forward for the opportunity to choose Pacific Bell long distance service. Thank you for your consideration.
